### PROFESSIONAL PROFILE

Hard-working and adaptable individual with a strong foundation in finance, accounting, and business management. Currently pursuing a BA (Hons) in International Business and Finance while pursuing ACCA qualifications. Quick to learn new systems, confident with Microsoft Office and Oracle ERP, and committed to accuracy and teamwork. Well-interested in process automation and simplification, with a passion for improving efficiency and streamlining financial operations. Known for reliability, clear communication, and a positive approach to problem-solving.

### PROFESSIONAL EXPERIENCE

#### SENIOR ASSOCIATE – FINANCE OPERATIONS

SEP 2024– PRESENT

*WNS Global Services (Pvt) Ltd*

- Prepared and posted accrual, prepayment, and actuals journal entries in line with accounting standards while maintaining strong financial controls.
- Assisted with balance sheet reconciliations to achieve accurate and on-time ledger finalization and reporting.
- Supported month-end ledger closure by ensuring timely postings, reconciliations, and error resolution to meet tight reporting deadlines.
- Automated and standardized key finance processes using Excel and Power Automate, enhancing accuracy, strengthening governance, and improving team efficiency.
- Developed and delivered knowledge-sharing sessions and standardized training materials to support new joiner onboarding and build process resilience.
- Directly liaised with onshore finance teams to clarify requirements, resolve issues, and ensure seamless delivery of services.
- Identified and resolved discrepancies through mismatch report analysis and proactive follow-up actions.
- Supported internal and external audits by preparing documentation, addressing auditor queries, and ensuring compliance with company policies and financial controls.

#### BOOKKEEPER

JAN 2024 – MAR 2024

*Sivan Temple – Hindu Religious Institution, Col – 15*

- Accurately recorded, classified, and posted financial transactions over five years.
- Reconciled bank statements and maintained the accuracy of financial records.
- Created financial statements and management reports using Microsoft Excel.
- Developed and implemented internal controls to improve accuracy and efficiency in bookkeeping processes.
- Analyzed financial data to detect discrepancies and recommend improvements.

#### AUDIT ASSOCIATE

JUN 2022 – DEC 2023

*A.G. Sharma & Company, Chartered Accountants, Col – 12*

- Applied auditing, accounting, and financial analysis to identify and address potential financial risks.
- Developed and executed audit processes to increase efficiency and maintain compliance with standards.
- Analyzed financial statements and documents to identify trends and improvements.
- Built strong working relationships with clients and external auditors.
- Participated in professional development activities to stay updated on accounting and audit regulations.
